

SUMMER INTERNSHIP  
APPLICATION DEADLINE:  
FRIDAY, APRIL 21, 2017

AMCP Foundation/Genentech, Inc.

# 2017 Evidence for Access SUMMER INTERNSHIP PROGRAM

## 2017 INTERNSHIP OVERVIEW

The goal of this program is to gain knowledge of the biotechnology industry and provide an opportunity to contribute to meaningful projects and interact with industry experts within the Evidence for Access Team US Medical Affairs at Genentech.

Ideal candidates for this internship program will be current students enrolled in an accredited PharmD program and/or a joint MBA, MPP (Master of Public Policy) or MPH (Master of Public Health) degree. Preferred qualifications include but are not limited to:

- ▶ 2-6 years of work experience prior to pharmacy/graduate school
- ▶ Prior work experience in the biotechnology or pharmaceutical industries
- ▶ Strong quantitative and analytical skills
- ▶ Demonstrated ability and experience in effectively interacting with executives and senior leaders
- ▶ Demonstrated leadership skills and experience
- ▶ Excellent communication skills (both verbal and written)
- ▶ 3rd or 4th professional year of PharmD program

*This annual internship reflects the commitment of the Academy of Managed Care Pharmacy Foundation and Genentech, Inc. to fostering health care leadership through student pharmacist education and to improving the quality of patient care in the managed care pharmacy setting. This program is administered by the Academy of Managed Care Pharmacy Foundation.*
