Forward to a Friend: 

We've passed the midpoint of the year, marking an excellent time to assess how you are coming with your goals and review what changes you want to make in the coming months. AMCP Foundation knows that life can be unpredictable. The AMCP Nexus theme is "[Changing the Way We Pay for Healthcare](#)," and the AMCP Foundation realizes that the way you support your favorite charitable causes changes too.

To help you navigate your changes, we've compiled a variety of articles in our latest eNewsletter. Read about the steps you can still take to prepare for retirement and test your knowledge with our quiz on long-range planning. You can also learn the benefits of having a will and discover the power in purpose.

Thank you for your dedication to our mission and our important work. Do not hesitate to contact us if we can be of any assistance.

Sincerely,

***Paula, Ebony and the AMCP Foundation team***
