

AMCP 22nd Annual Meeting & Showcase Satellite Symposia Schedule

The following satellite symposia will be held in conjunction with AMCP's 22nd Annual Meeting & Showcase. Symposia will be held in the San Diego Convention Center on the dates and times listed below. Each symposium will offer CE through an ACPE accredited provider. In addition to CE, various satellites will also offer CME through an ACCME accredited provider. Check with the program manager for further details on symposium content and accreditation. There are no additional fees to attend these educational activities.
