

## Managed Care and Other Pharmacy Residencies and Fellowships

This list of residencies and fellowships is published to coincide with the Academy of Managed Care Pharmacy's annual educational conference. These programs are described briefly below; more complete and continuously updated information is available online on the AMCP website ([www.amcp.org](http://www.amcp.org)) under Professional Practice, including start dates, minimum requirements, fringe benefits and program features. "Candidate" in the "Accreditation Status" field indicates that the program has submitted an application for accreditation but has not yet undergone an on-site survey. The 4 categories of programs include accredited managed care pharmacy residency programs, other accredited pharmacy residency programs, non-accredited residency programs, and fellowships.
