

Stay on the Leading Edge continued

AMCP Podcast Series

Powered by PopHealth Week, this series showcases the stories behind today's advancements in managed care, as told by top industry leaders. amcp.org/podcast

AMCP Legislative & Regulatory Briefing Newsletter

Stay up-to-date on recent legislative and regulatory developments and actions that AMCP has taken on behalf of members in this monthly e-newsletter. Each edition includes links to letters and comments AMCP has sent to federal agencies and lawmakers outlining managed care pharmacy's stance on crucial issues.

AMCP Regulatory NewsBREAK

As a benefit to members, the Regulatory NewsBREAK will be released in response to newly enacted regulations or recently issued sub-regulatory guidance. Past issue examples have summarized CMS guidance memorandums on Pharmacy Price Concessions and Medicare Part D Manufacturer Discount Programs, and FDA Guidance on the Breakthrough Device Program. Read more at amcp.org/regulatorynewsbreak.

AMCP Action Alerts

Your voice is an integral part of AMCP's grassroots advocacy program. AMCP Action Alerts engage members to participate in letter-writing campaigns to federal and state officials. Our easy and convenient alert system even helps populate key fields of the letter for you! Advocating for managed care pharmacy has never been easier! Get started at amcp.org/advocacy.

Biologics & Biosimilars Collective Intelligence Consortium (BBCIC)

BBCIC generates reliable real-world evidence that examines the safety and effectiveness of biologics to improve public health. BBCIC is a non-profit, multi-stakeholder, collaborative, scientific public service initiative conducting rigorous post-marketing observational research to monitor biosimilar products and novel biologics for effectiveness and safety in a real-world setting. Learn more at bbcic.org.

AMCP Strategic Priorities

AMCP's strategic priorities help guide AMCP's work to ensure member dollars are spent effectively and meet our mission of ensuring patients get the medication they need at a cost they can afford.

Optimize Value and Access

Our overarching goal is to improve formulary decision-making and develop tools that help patients obtain the medications and other therapies they need. For more information on AMCP's work on value-based contract resources, go to amcp.org/vbc, or the AMCP Format, go to amcp.org/format.

Address Health Disparities

Our overarching goal is to address barriers to access and the effective use of medications and other therapies. To see more of AMCP's work on health disparities, go to amcp.org/health-disparities.

Enhancing Member Value

AMCP is committed to growing membership and strengthening member value so AMCP is essential to anyone who works in managed care pharmacy. That means we put #AMCPMember1st! In a wide variety of ways we seek member input to develop the tools and resources that you need to succeed. If you have any suggestions or ideas for AMCP, do not hesitate to reach out to memberservices@amcp.org.

Member Benefit Guide

Thank you for being an AMCP member! This guide will give you a quick overview of your benefits and how to make the most of your membership.

Stay on the Leading Edge

In today's fast-changing health care environment, AMCP provides the tools and information you need to understand the issues and how they affect you and the patients you serve.

Journal of Managed Care + Specialty Pharmacy (JMCP)

Get a first look at the latest research in managed care pharmacy. *JMCP* advances science, expertise, and evidence-based decision-making to improve patient health through access to high-quality, cost-effective medications and other therapies. It is sent to all active and associate members monthly and is always available at jmcp.org.

AMCP Daily Dose™

Every morning, members receive an email with curated news stories from quality sources to keep them up-to-date on the latest news impacting managed care pharmacy. The Daily Dose™ is one of the most valued AMCP member benefits.

AMCP News & Views

Stay abreast of the latest AMCP news and information with this monthly e-newsletter. Get updates about AMCP's ongoing advocacy efforts, coalition involvement, and more!

AMCP Format for Formulary Submissions

The Format is an evidence-based product valuation tool that assists individuals with product assessment and utilization management in managed care and integrated care organizations. It is regularly updated by AMCP volunteers to incorporate changes in the marketplace. Learn more at amcp.org/format.

AMCP Policy Resource Center

The Online Resource Center contains AMCP's position on legislative/regulatory and practice issues. Learn more at amcp.org/policy-resource.

Disease State Resource Center

Get in-depth information and explore resources about pressing disease states in our Disease State Resource Center. Resources include videos, *JMCP* and other peer-reviewed articles, and meeting proceedings. Learn more at amcp.org/diseasestates.

MEMBER TIP

Questions

If you have any questions on your membership or AMCP, reach out to memberservices@amcp.org.

Grow Your Network

AMCP knows how important networking is to your career and development. Take advantage of the numerous live and virtual opportunities to meet with your peers.

AMCP Meetings

The perfect educational and networking venue — and members receive a substantial discount!

AMCP 2024

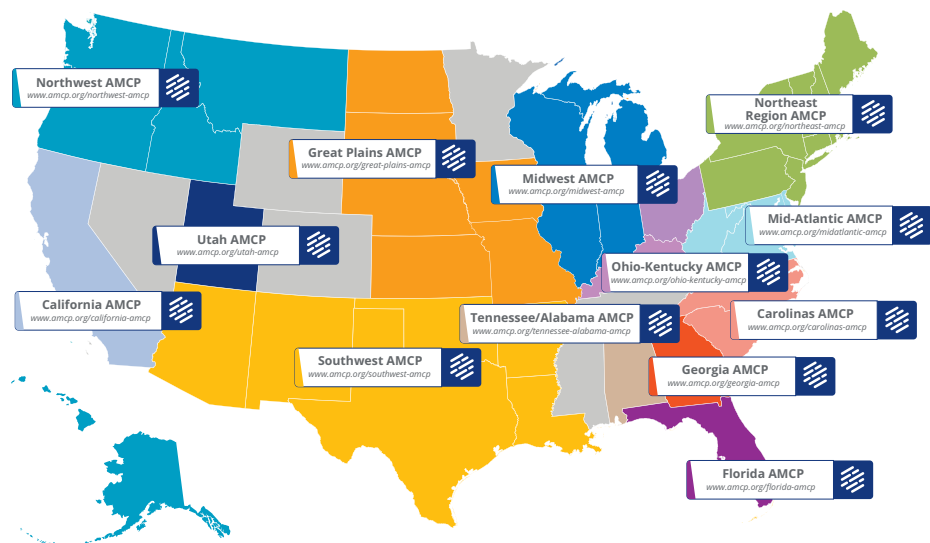

Apr. 15–18, 2024
New Orleans, LA

AMCP Nexus 2024

Oct. 14–17, 2024
Las Vegas, NV

AMCP Affiliates

Looking to grow your network locally? AMCP Affiliates connect you with AMCP members in your area and serve as a local resource on managed care pharmacy. All AMCP Affiliates are member-driven, giving you plenty of opportunities to take an active role! Members are automatically added to affiliates based on their address — but you can sign up for multiple affiliates through the member portal. [amcp.org/affiliates](https://www.amcp.org/affiliates)

AMCP's Online Membership Directory

Use AMCP's online directory to reach colleagues from across the United States. This invaluable tool gives you real-time contact information and is searchable by name, location, expertise, and position. Connect at members.amcp.org.

AMCP Collaborate

AMCP Collaborate makes it easy for members to discuss common issues virtually, exchange ideas, and learn from each other. Participate in the members-only Open Forum or the Student Open Forum to engage with colleagues around the country on the topics that matter to you. collaborate.amcp.org

Develop Your Leadership Skills and Grow Your Career

Whether you're a student pharmacist looking for an internship, a post-graduate seeking further training through a residency, or a seasoned managed care professional exploring new career and professional development opportunities, AMCP helps you grow in your career every step of the way.

AMCP's Student Pharmacist Center

AMCP is proud to have student pharmacists as members; after all, they are the future of managed care pharmacy and AMCP! The Student Pharmacist Center offers helpful resources for students and student chapter activities. It includes information about experiential learning, internships, and presentations on the different aspects of managed care. Learn more [amcp.org/studentcenter](https://www.amcp.org/studentcenter).

AMCP Residents and Fellows Center

Looking for information on how to find the perfect managed care residency or fellowship? Browse our listings to help you find the opportunity to match your professional goals. Want to help develop tomorrow's leaders? Find information on starting an accredited residency program at your employer at [amcp.org/residentscenter](https://www.amcp.org/residentscenter).

AMCP's Career Center

If you're looking for a position in managed care pharmacy, make this resource your first stop. Post your resume for potential employers to see, and scan job postings from prospective employers. Finding new career opportunities is much easier with AMCP on your side. careers.amcp.org.

AMCP's Commitment to Diversity, Equity, and Inclusion

To fulfill the mission of getting patients the medications and therapies they need at a cost they can afford, it is imperative that AMCP's membership, staff, and leadership reflect the rich landscape of our populations. By respecting and including everyone who drives the daily victories in managed care pharmacy, we will benefit from a mix of ideas, perspectives, and life experiences to help us achieve our goals.

AMCP Foundation

AMCP Foundation strengthens managed care pharmacy by investing in future-focused research and inspiring the next generation to improve patient health. Programs include: Emerging Trends in Health Care, Research Symposia, Best Poster Competitions, National P&T Competition, Student Internships, Steven G. Avey Award, and health and wellness activities at AMCP National Meetings. Contributions to the 501(c)3 are tax-deductible. Learn more at [amcpfoundation.org](https://www.amcpfoundation.org).
