AMCP Signs On to Letter Supporting OSHA Requirements for Employers Mandating COVID Vaccination

In November, AMCP joined other organizations to call on the business community to support the new federal requirement that those working for companies with more than 100 employees be vaccinated for COVID. Requiring employees to receive the vaccine is vital to stopping the spread of the virus and is important for creating a safer environment for everyone.

Let's Keep the #GivingTuesday Generosity Going!

Thank you to everyone who contributed to AMCP Foundation's #GivingTuesday goal yesterday. Your gift will help transform the future of managed care pharmacy! But why stop with just one day of giving? We're so close to 100 donors! Can you help us get a little closer? Gifts received now will still count towards our GivingTuesday total.
