Upcoming Webinars

Attend a Pre-approval Information Exchange (PIE) Webinar on Jan. 19

AMCP will host a (PIE) webinar sponsored, developed, and presented by UCB. This session will review an investigational humanized monoclonal IgG1 antibody for the management of adult patients with moderate-to-severe plaque psoriasis. This webinar is only offered to payers, formulary committees, or other similar entities responsible for the selection of drugs for coverage or reimbursement. In order to join this webinar, you must be registered as a payer with FormularyDecisionsSM.
