Medicaid Drug Rebate Program Best Price Rule Delayed

On May 28, CMS [announced](#) the implementation of the 2020 rule updating the Medicaid Drug Rebate (MDRP) program to better account for value-based purchasing (VBP) programs and contracts in the manufacturer reporting of best price. The effective date of the provision that will allow manufacturers to report multiple best price points for a single drug when that drug is subject to a VBP will now be July 1, 2022, a 6-month delay from the previous effective date.
