

Leverage AMCP's Diversity, Equity, and Inclusion Glossary

Introducing AMCP's Diversity, Equity, and Inclusion Glossary. Aggregated from authoritative sources, this glossary is a useful resource for managed care pharmacists and other health leaders to improve communications with providers, patients, and colleagues. As AMCP facilitates events and our members engage in research to identify patient-focused programs to address disparities in medication use, this glossary will serve as a resource and a foundation for dialogue.

AMCP Named Healthy People 2030 Champion

After HHS released the Healthy People 2030 framework in 2020, the Office of Disease Prevention and Health Promotion (ODPHP) invited organizations that support the Healthy People program's vision to become Champions. AMCP highlighted our members' commitment to increase access to quality health care, address health care disparities, and promote innovative technologies that can improve care delivery. AMCP was officially accepted as a Healthy People Champion last month.
