# AMCP and its Corporate Members work together to advance managed care pharmacy and health care overall.

## Access

AMCP Corporate Membership provides a great way to network with the leaders and decision makers within managed care pharmacy. AMCP's members include almost 8,000 pharmacists, physicians, nurses and other professionals who touch the lives of more than 270 million. The online searchable membership directory is a great asset to grow your company's network.

## Visibility

AMCP recognizes corporate member support in many public ways including a corporate member roster on the AMCP website, listings in the online membership directory, *Journal of Managed Care & Specialty Pharmacy (JMCP)* advertising and signage at every live AMCP meeting and conference.

## Cost Effectiveness

We're all challenged to do more with less. AMCP Corporate Membership provides increased exposure combined with complimentary registrations, individual memberships for employees of your organization and substantial savings and discounts on AMCP services and products. The benefits you receive more than pay for your dues.

## Demonstrated Commitment

We all share a commitment to quality patient care. AMCP and its Corporate Members work together towards AMCP's mission — *To empower its members to serve society by using sound medication management principles and strategies to improve health care for all.* AMCP's Corporate Members are a vital part of this work.

# Here's what AMCP corporate members say about their membership—

*As a team of PharmDs with past experience on the payer side of the access equation, Aventine specializes in the development of formulary submission dossiers and economic modeling for population healthcare decision makers. Aventine has continued to grow and evolve each year with the changing needs of the healthcare industry, and it became clear that supporting AMCP as a Corporate Plus member was a logical and synergistic step.*

**Holly Trautman**  
Chief Operating Officer, Aventine Consulting, LLC

*We look forward to working together with AMCP on addressing these industry-shaping topics to improve patients access to healthcare and drive improvement in patient outcomes.*

**Fran Molettieri**  
Director of Regional General Managers, Genentech
