

Georgia Affiliate of the Academy of Managed Care Pharmacy

Winter Symposia Program

Saturday, February 9, 2019

Mercer University, AACC Building, 2930 Flowers Road, Atlanta, GA 30341

7:30AM-8:00AM REGISTRATION, EXHIBIT, AND NETWORKING BREAKFAST

8:00AM-9:00AM Session 1 – Review of the CDC guidelines for Prescribing Opioids for Chronic Pain (1 hr)

Presented by: Todd Woodard, Pharm.D., BCPP, BCPS, BCGP, CPE, Manager Clinical Pharmacy Services, Peach State Health Plan
At the completion of this activity, the participant will be able to:

1. Analyze and demonstrate the appropriate use of the 2016 Prescribing Guideline for Chronic Pain Management
2. Determine and list which patient population should be prescribed overdose treatment medication
3. Identify ways in which these CDC guidelines can be utilized in Managed Care

UAN: 0228-9999-19-001-L01-P (0.10 CEUs)

9:00AM-9:15AM MORNING BREAK AND EXHIBIT

9:15AM-10:15AM Session 2 – The Value of Real World Evidence: It's Role in the Opioid Epidemic (1 hr)

Presented by: Sam K. Peasah, Ph.D., MBA, RPh, Assistant Professor & Director of CCORE, Mercer University College of Pharmacy
At the completion of this activity, the participant will be able to:

1. Define the value of information in the clinical decision making process
2. Compare the different levels of evidence for clinical decision and policy
3. Discuss the value of RWE to different stakeholders
4. Evaluate the use of RWE in the opioid epidemic

UAN: 0228-9999-19-002-L01-P (0.10 CEUs)

10:15AM-10:30AM MID-MORNING BREAK AND EXHIBIT

10:30AM-12:00PM Session 3 – The State of the Opioid Crisis: A Discussion of Successes, Challenges, Clinical & Community Outcomes (1.5 hrs)

Moderator: Kimberly Vernachio, PharmD President Vernachio Managed Care Consulting

Panel: Erin Hines, PharmD, Drug Utilization Clinical Pharmacy Specialist at Kaiser Permanente and Commander Phil Price, Law Enforcement Representative

At the completion of this activity, the participant will be able to:

1. Explain the role of law enforcement in opioid abuse prevention and treatment
2. Describe the current challenges in opioid abuse prevention
3. Distinguish between the various drugs of abuse
4. Understand the role and impact of amphetamines in the drug abuse crisis

UAN: 0228-9999-19-003-L01-P (0.15 CEUs)

12:00PM-1:30PM LUNCH AND EXHIBIT

1:30PM-2:30PM Session 4 – Understanding the Patient Point of View Through Storytelling and Music (1 hr)

Presented by: Tom Wilmer and Anne McSweeney

At the completion of this activity, the participant will be able to:

1. Identify at least 2 ways pharmacists can better understand the patient perspective after hearing it first-hand
2. State the definition of clinical empathy (and how it differs from sympathy)
3. Identify some "red-flags" that might indicate the patient has a lack of support in the home or is having trouble with medication management

UAN: 0228-9999-19-004-L04-P (0.10 CEUs)
