

Academy of  
Managed Care  
Pharmacy

## FOUNDATION

# Strategic Plan Summary

### Vision

Comprehensive medication management services are integral to the US health care system and the patients it serves.

### Mission

Advance the quality and affordability of our health care system by promoting the application of medication-related research and education.

### Core Values

The Foundation embraces the following core values:

- Patient-Centered
- Credibility
- Transparency
- Collaboration
- Innovation

### About the AMCP Foundation

Established in 1990, the 501(c)3 nonprofit AMCP Foundation envisions a health care system that provides comprehensive medication management, optimizes patient care and advances population health. By advancing collective knowledge and insights on major issues associated with the practice of pharmacy in managed health care settings, the AMCP Foundation invests in the future and supports the Academy of Managed Care Pharmacy (AMCP).

### Strategic Initiatives

#### *Advance Research*

Facilitate innovative research initiatives that may include the role of managed care in improving health care quality and patient outcomes

#### *Promote Education and Outreach*

Provide educational opportunities for stakeholders to learn about managed care pharmacy principles and research

### Functional Initiatives

#### *Communicate Foundation Impact*

Define and demonstrate the Foundation's impact and value that cultivates a culture of giving

#### *Strengthen Financial Viability*

Enhance the Foundation's financial position to ensure sustainability and future success
