

STUDENT ADVISORY BOARD OPPORTUNITIES

If any of the below opportunities interest you as either a managed care professional looking to volunteer your time or as a student pharmacist looking to participate, please click [here](#) to sign-up. The deadline to sign-up to be a volunteer/mentor is September 30, 2019. If you have any questions, you may contact your GA-AMCP Student Advisory Board Co-Chairs, Michelle Aslami and Monee' Bell, at GAAMCP.SAB@gmail.com.

Managed Care Guest Speakers

Local GA-AMCP student pharmacist chapters will be able to reach out to our network of managed care professionals who are interested in speaking to student pharmacists regarding a host of topics including, but not limited to: careers in managed care, an introduction into PBM/MTM, time management skills, networking, and more! This opportunity also includes helping the chapters prepare for the National P&T competition.

GA-AMCP Mentorship Program

This program will pair a managed care professional and pharmacy student(s) for general career mentorship/professional growth and development for one academic school year. Students and mentors who sign-up will touch base at least once quarterly and pairings will be notified early October 2019.

GA-AMCP Professional Preparation Program for Student Pharmacists

This program provides local GA-AMCP student pharmacist members with the opportunity to request curriculum vitae reviews and mock interviews from managed care pharmacists for professional opportunities such as preparation for ASHP Midyear, internships, and other opportunities as they arise.

Student Managed Care Day

This day will involve managed care professionals partnering with us to host student pharmacists at their workplace for a managed care shadowing experience.
