

Greetings AMCP Members,

On behalf of the Great Plains AMCP Affiliate Executive Leadership team I would like to welcome you as members to our newly formed regional organization. Because of our geographic make up of mostly rural states, Kansas, Nebraska, Missouri, Iowa, North Dakota and South Dakota and the growing number and presence of managed care pharmacists and professionals in our region, it was apparent that a more permanent solution to organize, educate and network was essential.

Our first meeting/social as an AMCP Affiliate Chapter will be held at AMCP Nexus, National Harbor Maryland on Wednesday October 30th at 6:30 p.m. in the Potomac Room at the Gaylord Hotel. We will have a brief business meeting to review our charter, our chapter plans for upcoming events regionally and plan for our Great Plains Affiliate celebration at the AMCP Annual meeting in Houston.

The Executive Leadership team would like to thank all companies and individuals who supported financially, volunteered for positions and help organize, attend socials and meetings at AMCP Annual and Nexus meetings for the past several years. You are the reason a new regional chapter was formed.

We would also like to thank the Kansas Pharmacists Association for their continuing support of managed care pharmacy. Without their vision and support of creating an AMCP Associate chapter over 8 years ago, this would not have become a reality.

If you live or work in the Great Plains Region, we encourage you sign up and be a part of our affiliate organization. See you in National Harbor!

Regards,

Jim Baumann, R.Ph.-President

Jeff Heuther, Pharm.D. President Elect

Ken Mishler, Pharm.D. Secretary

Tami Sova, Pharm.D Treasurer
