GREETINGS!

We hope you and your families are doing well and staying safe during these unprecedented times!

We need to hear your voices. The GA-AMCP Affiliate Chapter Board would like to know how we can best support our membership, given the current challenges and levels of comfort with group gatherings. We want to connect and be active in creative ways!

Please take some time to participate in our survey by clicking [here](#).

Also, we are continuing our Student Advisory Board (SAB) to support local GA-AMCP student pharmacist chapters and their members by providing resources to help students grow professionally and expand their managed care network & knowledge.
