

GA-AMCP Affiliate Strategic Priority Session + Membership Survey + Fall Social!

2021/2022 GA AMCP Affiliate Strategic Priority Session

May 18th at 6pm

I could not have been more excited to have gathered for the 2021/2022 GA AMCP Affiliate Strategic Planning Session on Monday evening! It was such a pleasure to be able to spend time (in person!) with the GA AMCP Board and our extended AMCP leadership residing in our great state of Georgia. We were honored to have many AMCP national committee members and GA AMCP Founders join us to form our Strategic Advisors to the Board. Many who could not join contacted us to check in and supply great ideas. Such wonderful and talented managed care pharmacists gathered to brainstorm on local ideas to support the three AMCP strategic priorities: 1) Optimize Value and Access; 2) Address Healthcare Disparities; and 3) Smart Membership Growth.

2021/2022 GA-AMCP Membership Survey

Stay tuned for our Survey Monkey to gather your feedback on the strategies for 2021/2022. The GA AMCP Board would love your feedback on the ideas that we generated during the 2021/2022 Strategic Planning Session. Please look for the short survey to arrive in July and complete it as soon as possible. We value your feedback to assist us in charting the course for the coming year.

2021 GA-AMCP Fall Social

GA-AMCP is excited to begin planning to gather in person sometime in the Fall. What better way to get to know new managed care members of our community and re-unite with colleagues we

have only seen over the last year on Zoom; than to meet to for a social event? Please stay tuned for the exact date and location. We look forward to seeing you all in person soon!
