Message from the President

Well, the fall season is upon us and I keep thinking back to where the year has gone. For me, this year has gone by quickly, but that is usually the case when you are having fun. That's what happens when you see a group come together to coordinate on the AMCP Great Plains Affiliate's first in-person Education Day on Friday, September 10th, in Omaha, Nebraska. I spoke with many individuals that expressed excitement for being able to meet and converse with colleagues that they haven't been able to in some time. Beginning with the social event the night before the Education Day and ending with a day full of great content and presenters is part of what the networking and educational content the Affiliate strives to provide. I hope you found that this checked those boxes and I look forward to more of these events in the future. Please enjoy some pictures from the event included in this newsletter.

I want to thank Ryan Flugge and Tom Peddicord, our Education Chairs, for volunteering many hours behind the scenes over many months to bring the Education Day together. This was not possible without their commitment and I can't thank them enough. Additionally, I want to thank Terry Ahlers, the Affiliate's State Delegate for Nebraska, for coordinating the social event the night before the Education Day at Sullivan's Steakhouse in downtown Omaha. Finally, thank you to the sponsors that supported the Education Day and Social event. All these individuals and sponsors, and those that assisted the day of the event, helped make this programming successful. Thank you!

As we turn the page on our Education Day we have some great opportunities coming up for the Affiliate. You will find more information on upcoming events in the following pages. Please check them out and I hope you can participate.

If you are interested in supporting the Affiliate by volunteering your time or are interested in future leadership opportunities, please reach out to the Affiliate at the following email address: greatplainsamcp@gmail.com. You can find more information on the AMCP website and on LinkedIn by joining the AMCP Great Plains Chapter. Also, if you know of an AMCP member that is interested in getting more information on the Affiliate, they can add their email to the Great Plains Affiliate email distribution at the Great Plains Affiliate website at www.amcp.org.

Thank you!

Jeff
