

# Managed Care Insights on Optimizing Coordination of Care for Effective Management of CLL

November 14, 2022 • 6:00 PM - 7:30 PM  
Seasons 52 • 1862 Sawgrass Mills Cir, Sunrise, FL  
Networking: 6:00 PM - 6:30 PM & CE: 6:30 PM - 7:30 PM

## PTCE invites you to a Live Free Accredited Presentation

### EDUCATIONAL OBJECTIVES

After completion of this activity, pharmacists will be able to:

- Investigate challenges in the current treatment approaches in chronic lymphocytic leukemia (CLL) and emerging data on combination therapies and fixed-duration strategies
- Differentiate the safety profiles for available BTK inhibitors as well as monitoring and management strategies to mitigate adverse effects
- Analyze the cost drivers associated with the management of CLL and the value of evolving treatment approaches in lowering cost of care and healthcare utilization

### ACCREDITATION STATEMENT

Pharmacy Times Continuing Education™ is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity is approved for 1.0 contact hour (0.10 CEU) under the ACPE universal activity number 0290-0000-22-517-L01-P. The activity is available for CE credit through January 14, 2023.

This educational activity is supported by an educational grant from Pharmacyclics LLC, an AbbVie Company and Janssen Biotech, Inc.

### FACULTY

#### Melody Chang, RPh, MBA, BCOP

Vice President of Pharmacy Operations  
American Oncology Network  
Fort Myers, Florida

Dr. Melody Chang is the Vice President of Pharmacy Operations for the American Oncology Network (AON), a fastest growing oncology network represents more than 105 physicians, 79 advanced practitioners at 70 locations across 16 states. She oversees pharmacy operations, establishes guidelines and standard procedures, develops drug utilization and formulary initiatives that ensured the cost-effectiveness and optimized therapeutic outcomes throughout the Network.

Melody has over 20 years of clinical and management experiences in pharmacy. Prior to AON, she was the Director of Pharmacy Operations for Florida Cancer Specialists.

Melody received her B.S. in Pharmacy from China Medical University in Taiwan and earned her MBA degree from Tulane University in New Orleans.
