Presidents Welcome Message for 2023

Welcome to year 2 of our Carolinas Affiliate, yes, we have just entered in to our second year, and we have some great plans for you for this year! As we look at the upcoming year we are filled with trepidation, we had a great year, and we want to make sure the success of last year can be sustained for the future to continue to build a strong affiliate. This is the reason that the executive team this year will be razor focused on succession planning and building a great foundation for the Carolinas Affiliate that can maintain the success of our 2022 inaugural year.

BUT that does not mean we are resting on the positives of last year. Our committee chairs are already well on their way with ideas for this year. They have filled some empty seats on their committees and below is just a taste of some of their work planned:

- Planning has recently sent a survey which can be found [here](#). For education programs this year, Health Equity may be in the works
- Student Committee is looking at ways to work with diplomats and our schools that may not have a full chapter to share Managed Care Principals
- Communications has already geared up for a larger social media presence this year
- Legislative is tracking bills of interest to share with us for this year
- Membership has been working on great ideas to expand, show value for AMCP as well as our affiliate (and win the contest AMCP is having for Affiliates this year)

All this to say, we have hit the ground of 2023 running and are committed to maintaining the momentum and success of your Carolinas Affiliate! Please join us in San Antonio on March 22 @ 7:30 for our meeting where we will provide even more details of our plan for 2023.

We look forward to 2023 and working with each of you to help make sure that we Continue to make the Carolinas Affiliate one of the best AMCP Affiliates!

WELCOME NEW Committee Members to the Carolinas Affiliate for 2023

Committee Updates

Student Affairs Committee Update

Goals for 2023:

- Increase Student Engagement – **Lets work together!** Reach out to other diplomats and combine student attendance for guest lectures.
- Develop AMCP student chapters at schools of pharmacy
- Develop “rotations” or “internships” for students
- Develop Mentorship Networks at each school for student chapters
- Encourage/facilitate a Managed Care Pharmacy “Elective Course” at all schools
- **Communication** – if you do something awesome for your school (hold a class, invite a guest speaker, etc) please let us know so we can highlight it and spread the word.

Committee Updates (continued)

Communications and Value Committee

CONNECT with US in 2023

Legislative Committee

CONGRATULATIONS to all and AMCP on the Congressional Passage of PIE ACT to Help Safely Expedite Patient Access to Life-Saving Treatments

- **Education** - Provide updates on latest federal and state legislative issues via approved communications channels working closely with the AMCP National Advocacy Team
- Provide legislative “hot topics” at chapter meetings for 2023
- **Advocacy** - Continue to build on our infrastructure to promote advocacy in NC / SC
- Identify legislative demographics of Carolinas’ affiliate membership (Districts, Representatives, Senators) for outreaching to relevant representatives)
- Set up a “Legislative Day” at the capitol(s) for dual purpose:
 1. Advocacy and education for legislators about AMCP and on key managed care pharmacy issues we are facing
 2. Education of Carolinas’ members on legislative processes
- **Networking** - Continue to network with other affiliate legislative committees
- Continue to stay abreast of the most current issues targeted by AMCP National and support them on a local level

Planning Committee

- 1. Lydia sent out program surveys with deadlines for March 10th, and in the process of summarizing our membership interests and needs
- 2. Results will be assessed to see interest levels for a Midyear Health Equity event in the South Carolina area
- 3. The 2023 Day of Education will likely be Thursday, Nov 9th, in the Charlotte, North Carolina area
- 4. Five new members are welcomed to the Program Committee from both South Carolina and North Carolina and will be volunteering to support both programs for 2023
