Advances in the Treatment of Myelofibrosis:
Updates and Considerations for Managed Care Professionals

Thursday, August 17, 2023 • 1:00 PM – 2:00 PM ET
Virtual • Register Here

PTCE invites you to a Live FREE Accredited Presentation

EDUCATIONAL OBJECTIVES
After completion of this activity, pharmacists will be able to:

• Explore risk stratification and patient- and disease-related factors that guide the treatment approach for patients with myelofibrosis (MF).

• Examine the JAK/STAT and other molecular pathways that contribute to disease progression and provide a target for treatment in the management of MF.

• Investigate the clinical data and recent updates for JAK inhibitors and pipeline targeted therapies for the management of MF.

• Illustrate best practices to facilitate appropriate use of new and emerging therapeutic options to improve outcomes in the treatment of MF.

ACCREDITATION STATEMENT
Pharmacy Times Continuing Education™ is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity is approved for 1.0 contact hours (0.10 CEU) under the ACPE universal activity number 0290-0000-23-253-L01-P. The activity is available for CE credit through October 17, 2023.

This educational activity is supported by educational grants from Incyte Corporation and GSK.

FACULTY
Donald Moore, PharmD, BCPS, BCOP, DPLA, FCCP
Clinical Oncology Pharmacy Manager
Levine Cancer Institute, Atrium Health
Charlotte, North Carolina

Donald Moore, PharmD, BCPS, BCOP, DPLA, FCCP, is the clinical oncology pharmacy manager at Atrium Health’s Levine Cancer Institute in Charlotte, North Carolina. He maintains a clinical practice in malignant and benign hematology. He received his Doctor of Pharmacy degree from the Massachusetts College of Pharmacy in Boston, Massachusetts.
