

# Maximizing Patient Outcomes in Ophthalmologic Diseases: How Managed Care Professionals Play a Key Role in Facilitating Uptake of Biosimilars

November 16, 2023 • 5:30 PM

THE JUNTO

77 Belle St. Columbus, OH 43215

PTCE invites you to a Live  
**Free** Accredited Presentation

## EDUCATIONAL OBJECTIVES

*After completion of this activity, pharmacists will be able to:*

- Examine the impact of biosimilars on patient outcomes and health care costs in the United States and the challenges and opportunities associated with the adoption of biosimilars in clinical practice.
- Analyze the clinical and economic implications of incorporating currently approved biosimilars into ophthalmology practice through safety and efficacy data.
- Identify strategies to overcome barriers to biosimilar adoption and use through effective communication to both prescribers and patients.

## ACCREDITATION STATEMENT

Pharmacy Times Continuing Education™ is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity is approved for 1.0 contact hour (0.10 CEU) under the ACPE universal activity number 0290-0000-23-320-L01-P. The activity is available for CE credit through January 16, 2024.

This activity is supported by an educational grant from Biogen.

## FACULTY

### YuQian Liu, PharmD

Senior Director, Specialty Clinical Solutions  
Magellan Rx Management  
Houston TX

YuQian Liu, PharmD is the Senior Director of Specialty Clinical Solutions with Magellan Rx Management. She graduated with a Doctor of Pharmacy degree and a minor in Pharmaceutical Business from Philadelphia College of Pharmacy. Prior to joining Magellan, Dr. Liu completed a PGY1 Managed Care Pharmacy Residency with Horizon Blue Cross Blue Shield of New Jersey. In her current role at Magellan, she is responsible for leading strategic initiatives for regional and national health plan clients and prospects in the management of specialty pharmacy utilization and quality improvements. Dr. Liu also supports clinical program development, specialty drug landscape and pipeline analysis, and various clinical initiatives involving specialty products. Additionally, Dr. Liu serves as a preceptor for APPE rotation students from University of Texas and the Western New England University, and is a member of the AMCP Educational Affairs Committee.
