Defining managed care pharmacy's future

AMCP 2024

APRIL 15-18 ••• NEW ORLEANS

Orlando Mini-Day of Education

Commencing the new year on a strong note, our AMCP chapter proudly hosted a successful Mini-Day of Education in Orlando on January 20th. The event featured an engaging panel discussion and covered invaluable Continuing Education (CE) topics. It was a testament to our commitment to providing high-quality educational opportunities and marked a promising start to the year ahead.

Igniting AMCP's Future Leaders - Spotlight on our UF Chapters!

The UF Gainesville chapter facilitated enriching sessions featuring discussions led by industry professionals focusing on topics like racial and ethnic disparities in copay card utilization and the role of PBMs in managed care. Additionally, the chapter organized exciting virtual events like a residency/fellowship panel and an internship forum, providing valuable insights into various career pathways within pharmacy. The chapter continues to remain passionate about organizing events to further enhance students' understanding of healthcare trends and initiatives.
