AMCP RESEARCH INSTITUTE (ARI) is not just an expansion of BBCIC; it's a reimagining. It's about broadening our research horizons to encompass all facets of managed care pharmacy – from cost analyses to policy support, clinical care and beyond.

OUR INTELLIGENCE ISN’T ARTIFICIAL

WHERE WE STARTED

BBCIC Mission: To generate reliable real-world evidence that examines the safety and effectiveness of biologics in order to improve public health.

WHERE WE ARE NOW

LEVERAGING THE POWER OF AMCP

AMCP members improve the lives of nearly 300 million Americans served by health plans, pharmacy benefit management firms and emerging care models.

WHERE WE ARE GOING

LOOKING AHEAD IN 2024

NEW AND ONGOING PROJECTS

The AMCP Research Institute is an avenue for AMCP to create even more tools and resources to support the important work of our members.

ADVANCE AND DEMONSTRATE VALUE OF MANAGED CARE PHARMACY

SUPPORT TREATMENT AND COVERAGE DECISIONS

IMPROVE PUBLIC HEALTH
