AMCP GEORGIA PRESENTS

2026 NEWSLETTER

LEADERSHIP SPOTLIGHT

Alex Juggassar, PharmD
President, Georgia AMCP Affiliate

During his tenure as President of the Georgia AMCP Affiliate, Alex helped strengthen the organization and expand engagement across the managed care community. Under his leadership, the affiliate increased board membership, expanded community service efforts, and successfully brought back the Day of Education to provide members with valuable learning and networking opportunities.

Alex also helped organize social events and increase engagement with sponsors, creating more opportunities for members to connect and collaborate. In addition, he represented the Georgia Affiliate at the 2026 AMCP Leadership Summit in Washington, D.C., where he participated in strategic planning discussions with affiliate leaders from across the country.

Through his leadership and dedication, Alex helped build a strong foundation for the continued growth and success of the Georgia AMCP Affiliate.

Shivani Patel, PharmD
President -Elect, Georgia AMCP
Affiliate

Leadership Transition

As Shivani steps into her role as President of the Georgia Affiliate, she will continue to build upon the new foundation that has been put in place for continued success, growth, and engagement with our valued members.
